

Jeu de rôles : "Le petit Manu"

1. **Personne 1** : Finallyyyyyy !!.....
2. **Personne 2** :What do you mean ?.....
3. **Personne 1**: We've finally got a prime minister in France ?
.....
4. **Personne 2** :Because you did not have any ?
.....
5. **Personne 1** : Not since the beginning of July, July the 7th to be more specific ?
.....
6. **Personne 2** :What happened at the time ?.....
7. **Personne 1** : a snap legislative election ?.....
8. **Personne 2** :Why ? Who decided that ?.....
9. **Personne 1** :The small Manu ?.....
10. **Personne 2** :Who is that ?.....
11. **Personne 1** : The French president !
.....
12. **Personne 2** :His name is the small Manu ? That's a very weird name !!
.....
13. **Personne 1** : Haha !! nooooooo !! His name is Emmanuel Macron. Manu is a **shortcut** for Emmanuel and small, because he is ... small and also because he's a babyyyy, he's « only » 46 years old.
.....
.....
.....
14. **Personne 2** : Okayyyyyy !! How tall is he ?.....
15. **Personne 1** :About 1m75.....

16. **Personne 2** : he is not that small !! and not a baby anymore either !! So Why did he **call** a snap election ?

.....
.....

17. **Personne 1** : Because on June the 9th there had been the European elections and in France the far right had **knocked out** every one by getting around 31% of the votes.

.....
.....

18. **Personne 2** : Ok but why legislative elections in France ?

.....

19. **Personne 1** : out of respect for the French people because Macron is a real democrat who understood that the French people wanted change.

.....
.....

20. **Personne 2** : hahahahahah !! That's so funny !! Macron !! A democrat !! You must be joking right ? As Noirtier de Villeford, father of Gerard de Villeford, himself Edmond Dantes' worst enemy would say : "In politics, my dear fellow, you know, as well as I do, there are no feelings, but interests; in politics ... we only remove an obstacle, that is all". Anyway, what happened then ?

.....
.....
.....

21. **Personne 1** : The **NFP** won the election and got the most seats in the French National assembly.

.....
.....

22. **Personne 2** : and they now govern France !!.....

23. **Personne 1** : Not at all !! We had to wait until last Thursday for Macron to nominate his first minister.

.....

24. **Personne 2** : who is an NFP member !! Right ?

.....

25. **Personne 1** : Not at all !! Macron nominated Michel Barnier.

.....

26. **Personne 2** : who ?.....

27. **Personne 1** : Michel Barnier

28. **Personne 2** : How do you know ? Who told you that ?

.....

29. **Personne 1** : Normy told (it to) Alban last Thursday and Alban told (it to) me.

.....

30. **Personne 2** : who is Michel Barnier ? an NFP's member ?

.....

31. **Personne 1** : Not at all !! He belongs to the LR party which is a right wing party.

.....

32. **Personne 2** : whaaaaat !! But I thought the NFP had obtained the most votes !!!??

.....

33. **Personne 1** : yes buuuuut

34. **Personne 2** : yes buuuuut Macron is a real democrat as you said !! Yeah right !!
